How to Pay by flywire

1. Go to the Flywire website www.flywire.com/pay/noncredittemple

2. Enter country you are paying from (example: Canada) and the amount you would like to pay in the first line.

3. Choose your preferred payment option. (Example: Bank Transfer, Domestic Currency Credit Card, PayPal etc).

4. You can either login to your account, create an account, or continue as a guest.

5. If continuing as a guest, provide information about the payer. If a company or organization is paying, enter the company or organization’s name in the first name and last name fields.

6. Provide the information request by Temple University Noncredit and Continuing Education
   - Please indicate your relationship to the student and select 'Fees' under Payment Information on Payment Type.
   - Include the information about the student under Student Information. Please include the Student (X########) or Group (G#####) ID that can be found on your invoice receipt.

7. Please review confirm that all information is correct and you will have 72 hours to complete the payment or else the transaction will be canceled.

8. Click CONTINUE WITH PAYMENT. You will be directed to your personal dashboard to review your information. Please view the payment delivery instructions to send your money via Flywire.

9. You can print the instructions and take it to your bank if needed. It may take 2-3 more business days for Temple to process your payment to your account. Track your payment by logging into your Flywire account at any time if you make an account. Receive text and email status updates each step of the way, including a confirmation of when your payment has been delivered.

10. If you have any questions, please contact destiny1@temple.edu
